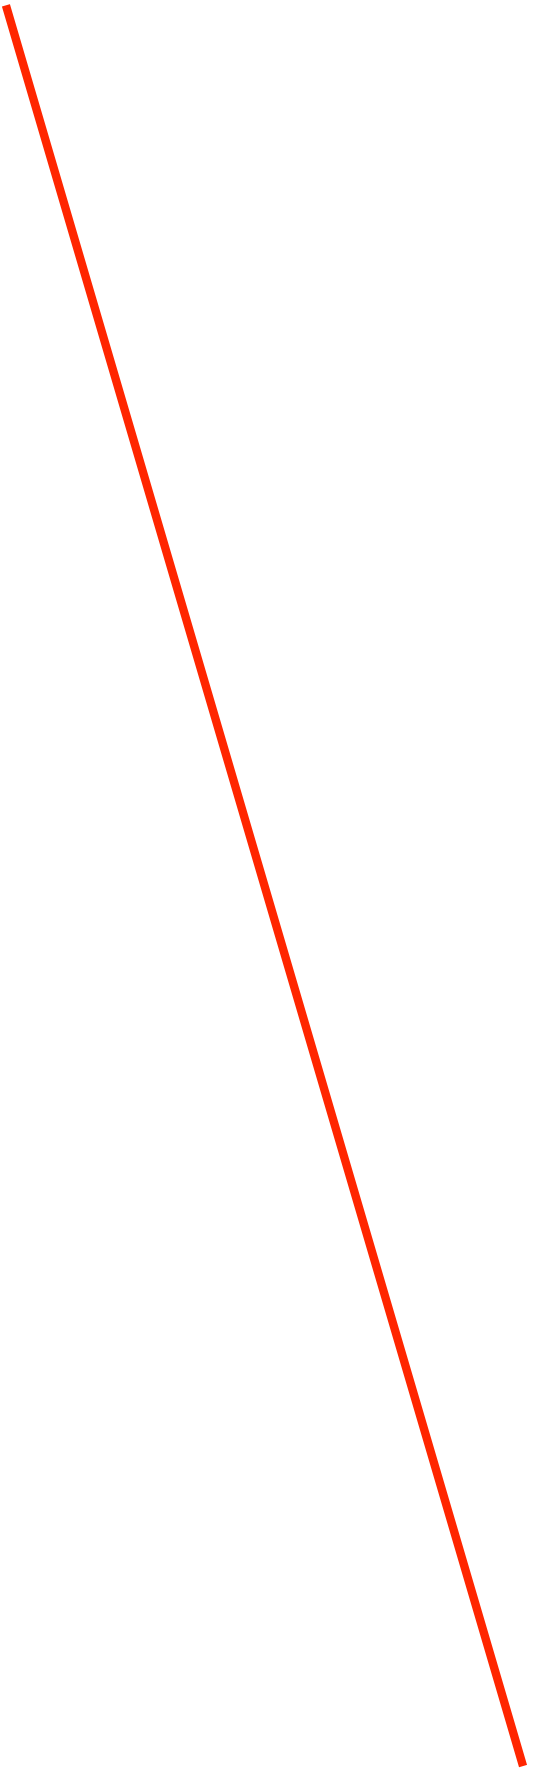
Non Institutional

Employed

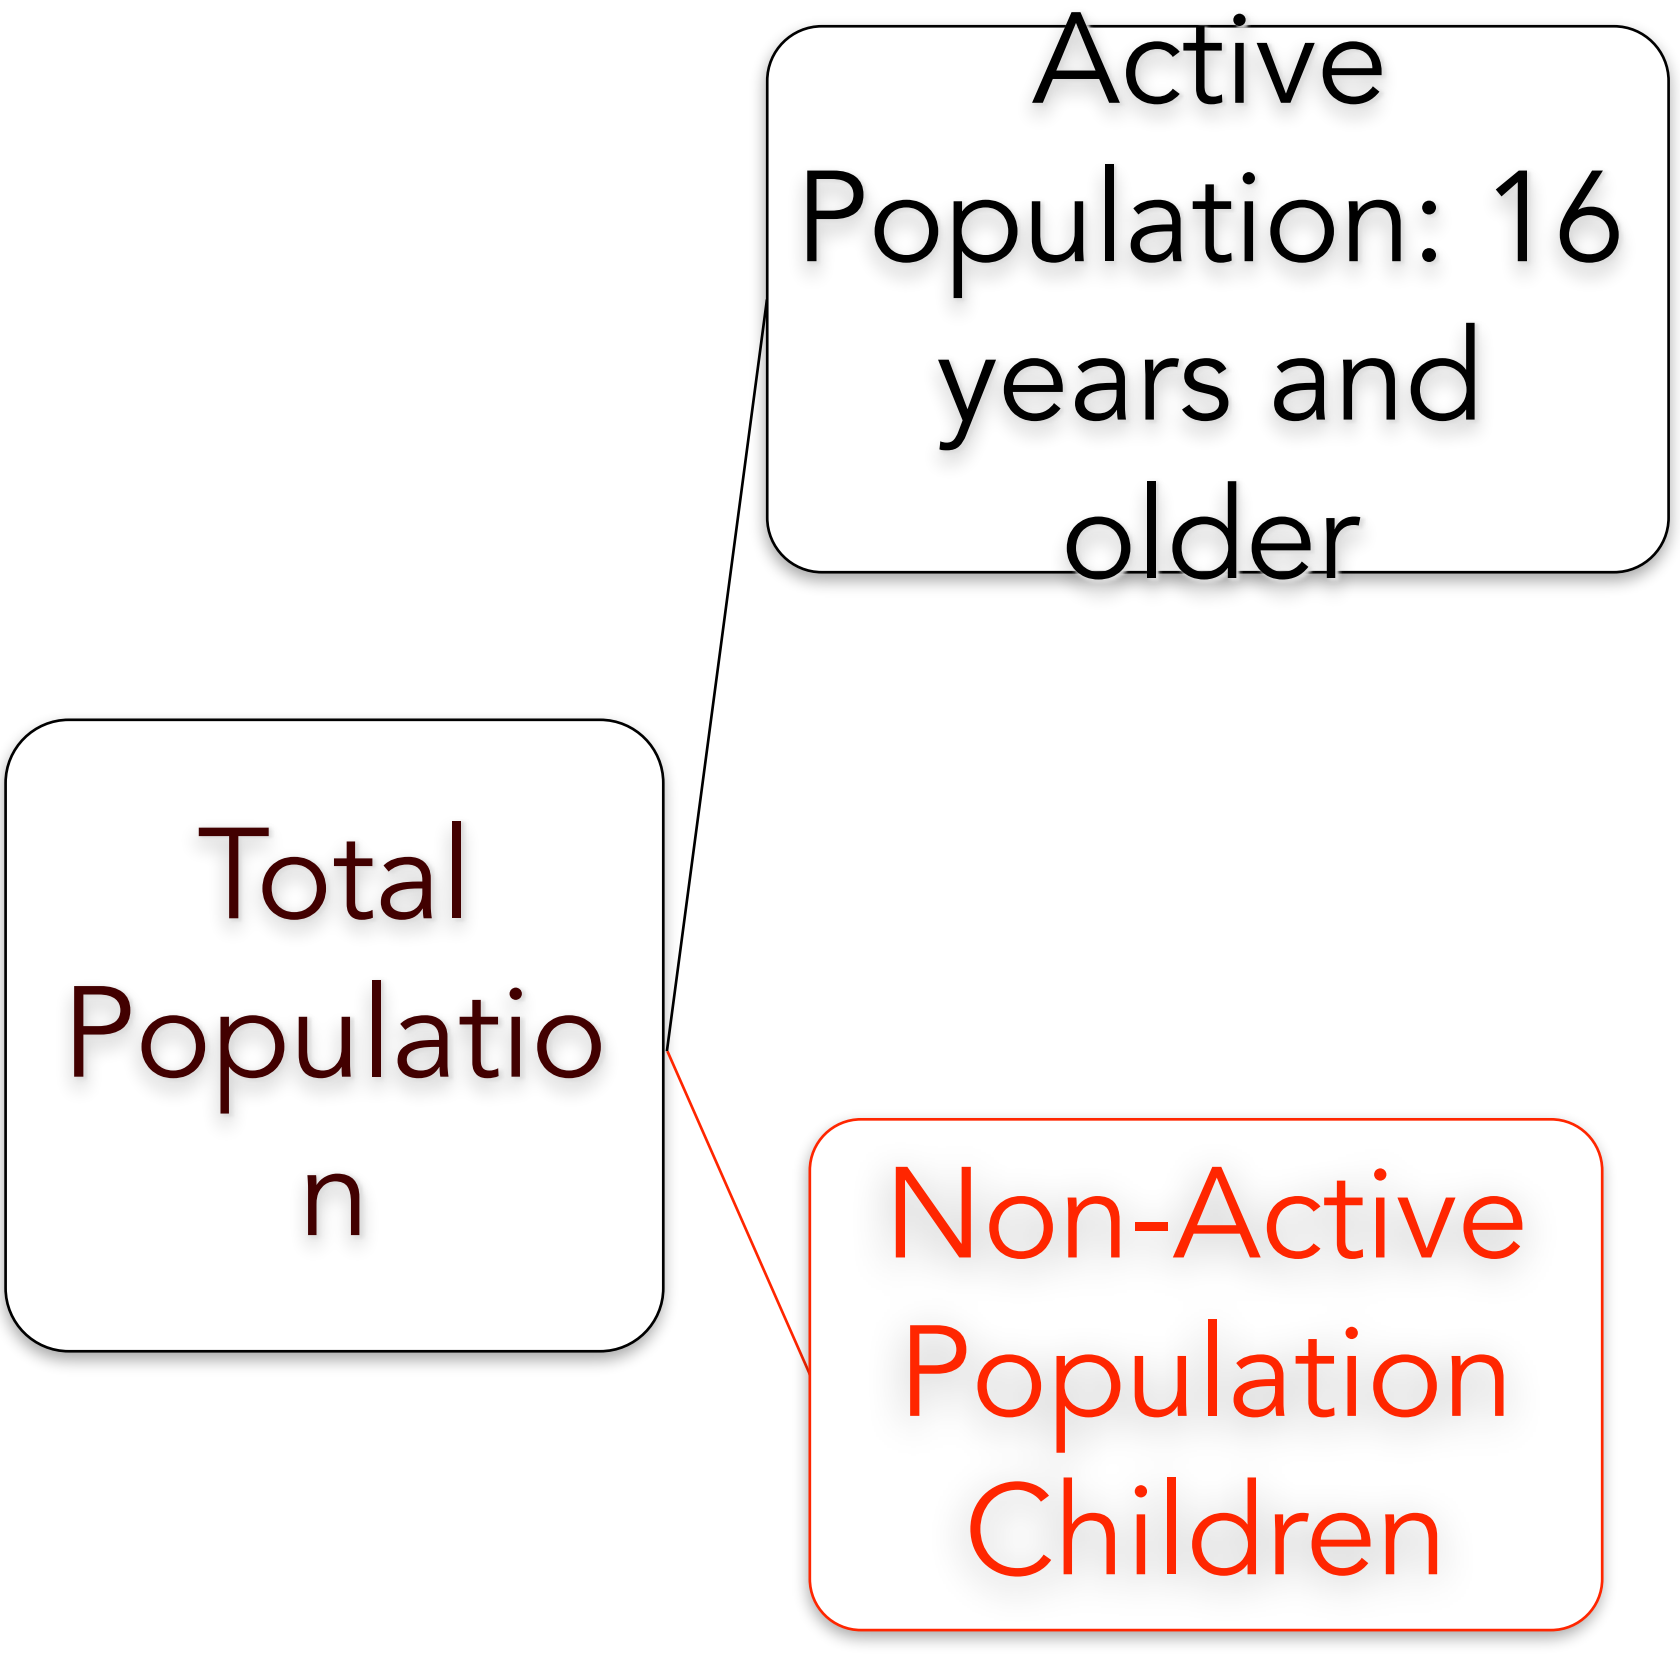
Unemployed

Not in the Labor Force

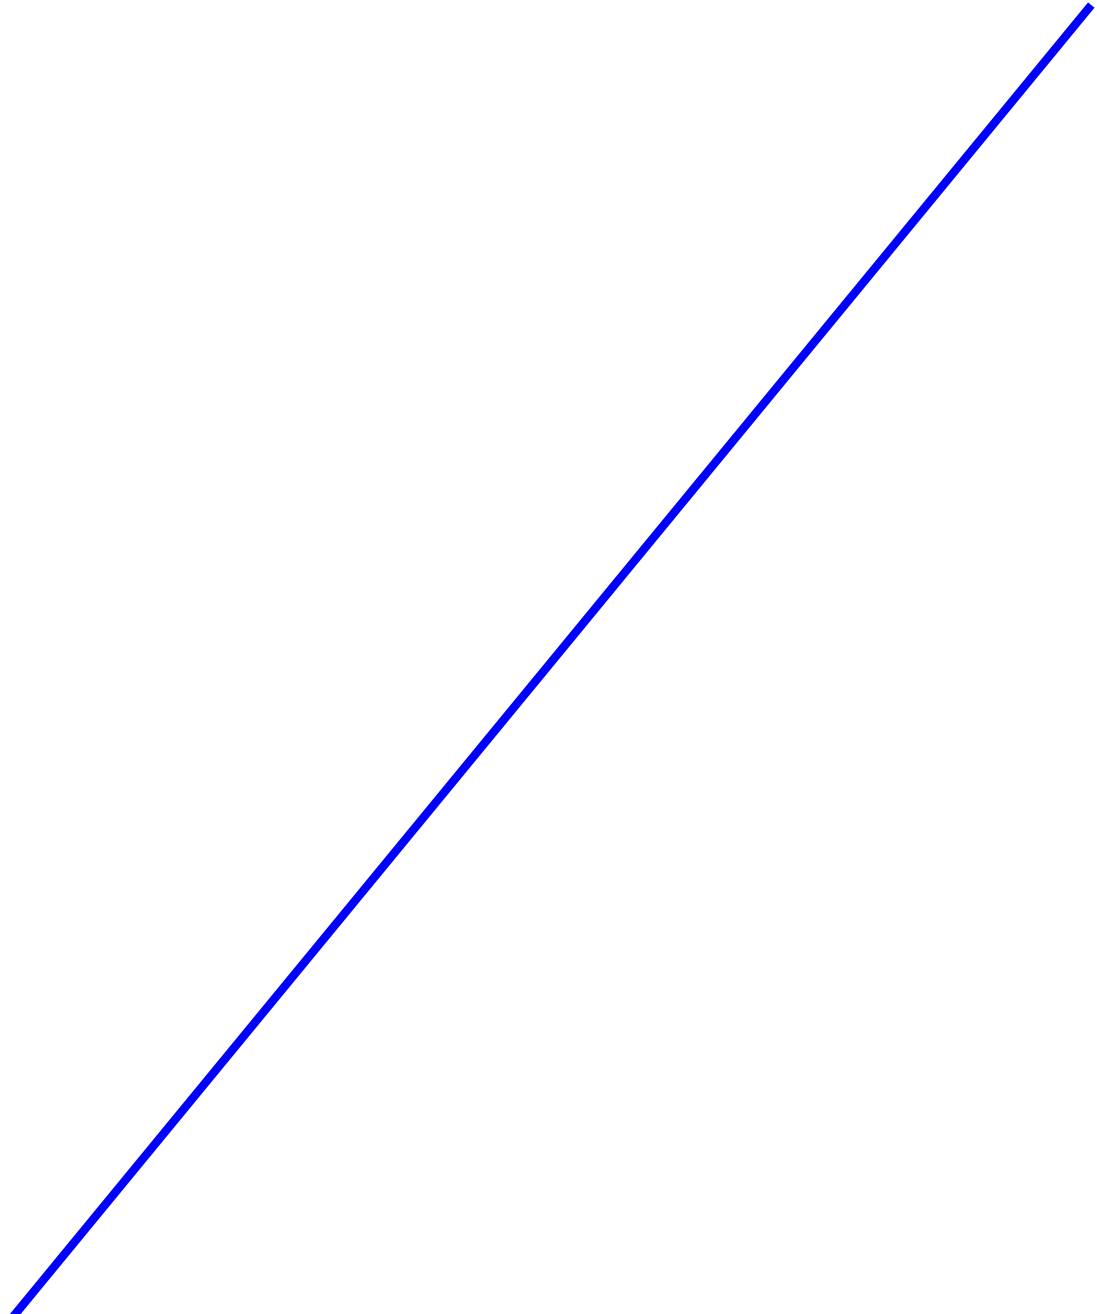


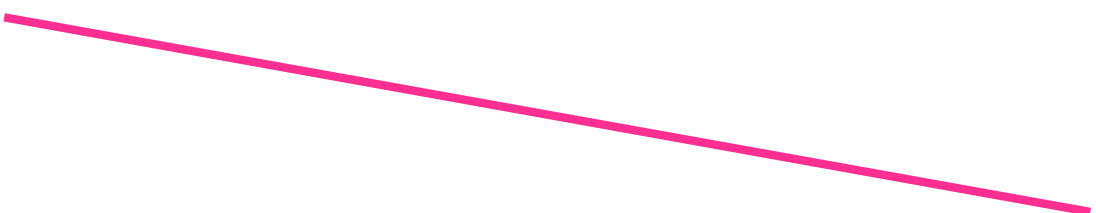
Institutional

Nursing homes, prisons and active duty in the Armed Forces



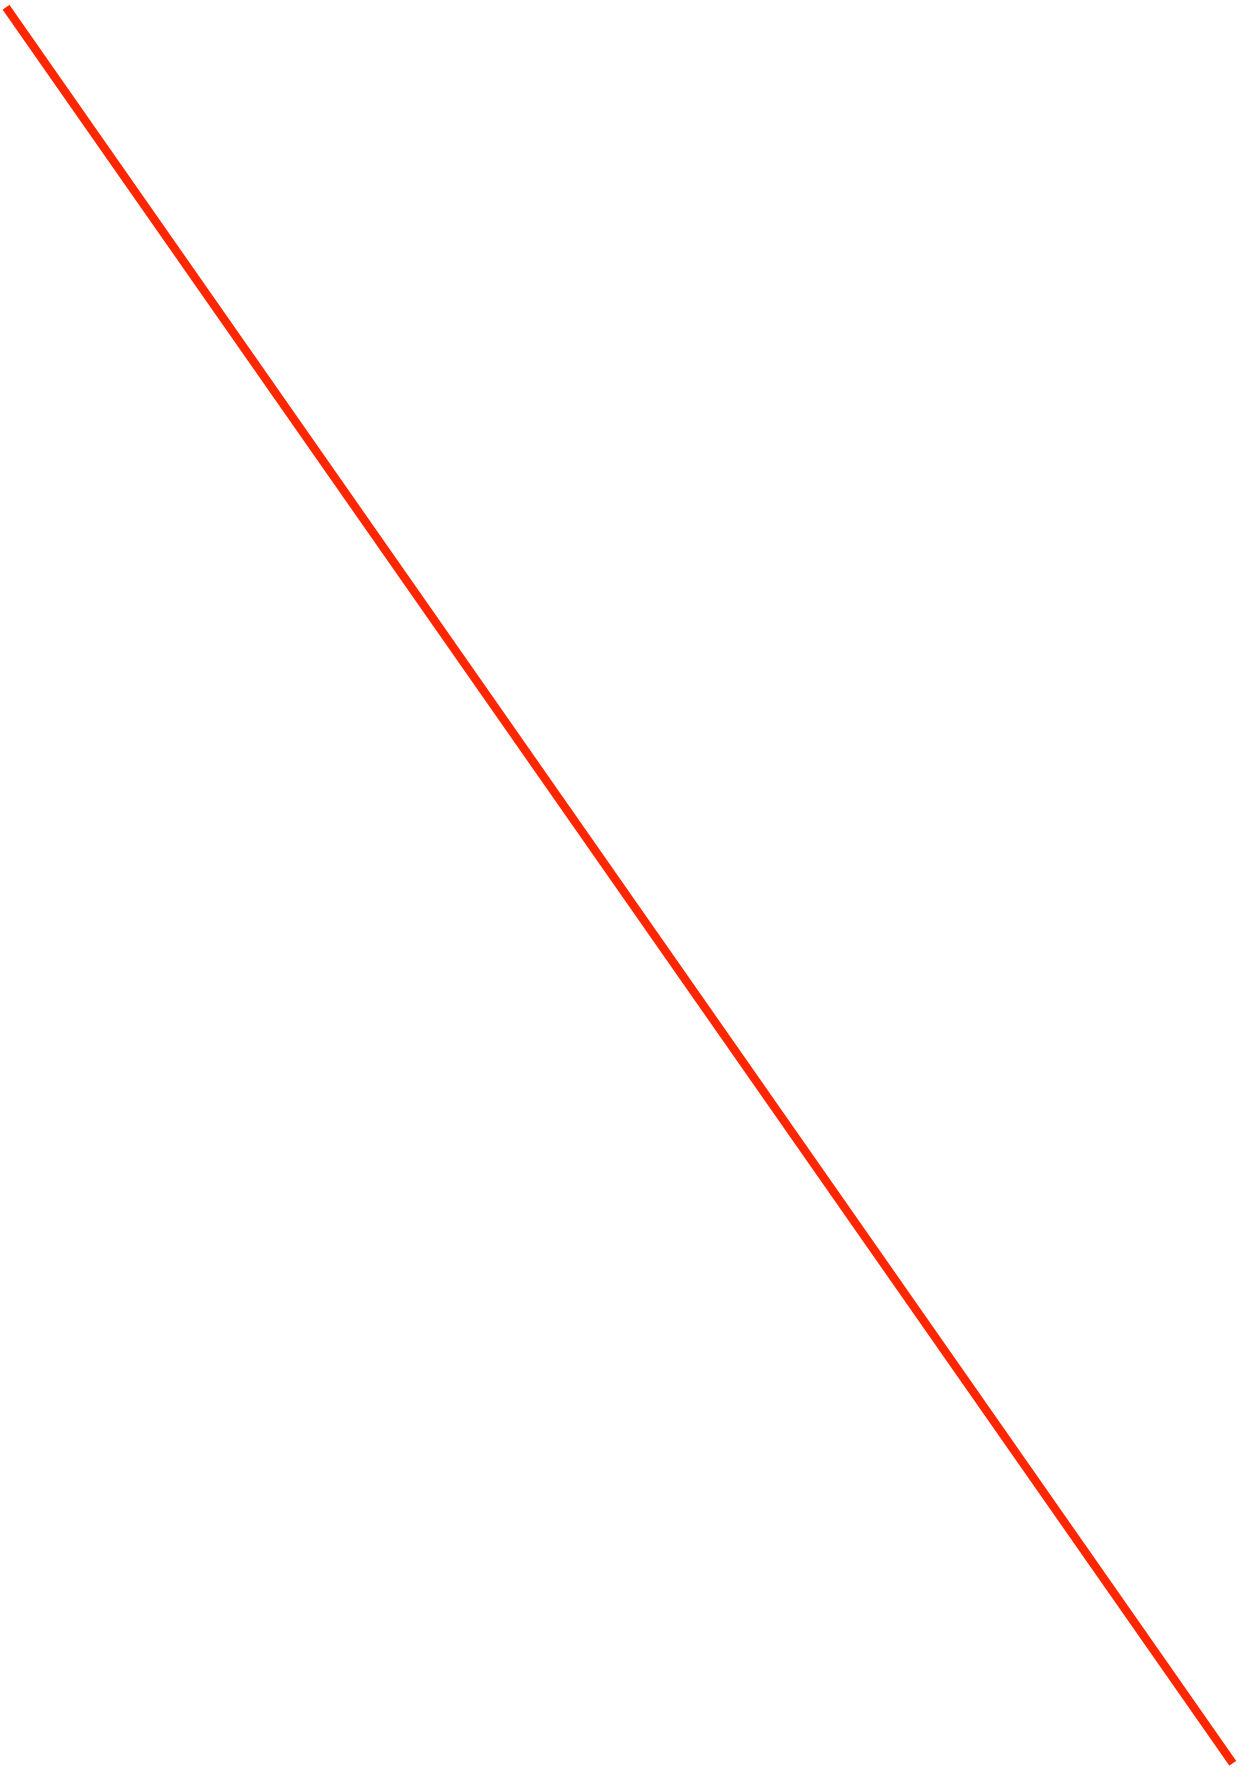
Active Population: 16 years and older
Total Population
Non-Active Population Children



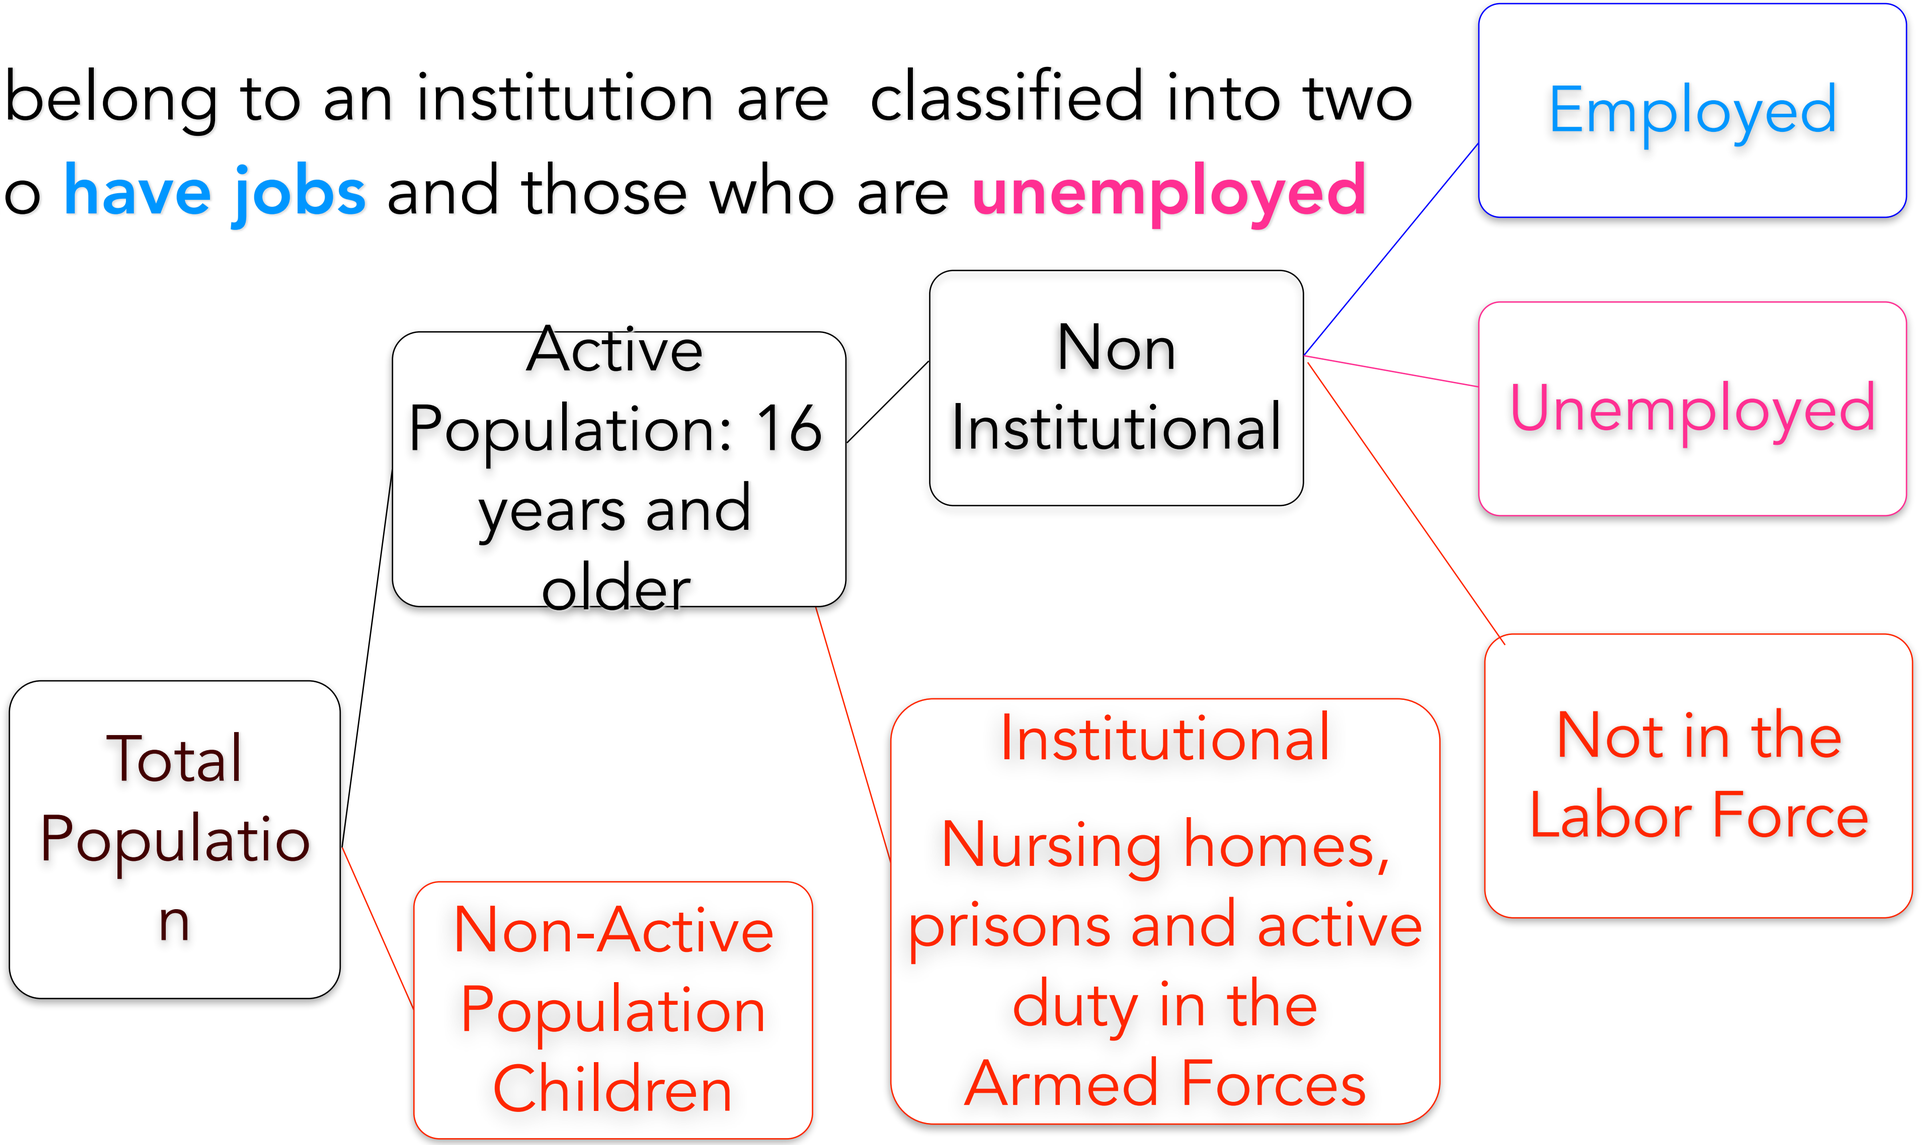


Those who do not belong to an institution are classified into two groups: those who **have jobs** and those who are **unemployed**

Those who are not classified as **employed** or as **unemployed** are considered as not in the Labor Force



Those who do not belong to an institution are classified into two groups: those who **have jobs** and those who are **unemployed**



Those who are not classified as **employed** or as **unemployed** are considered as not in the Labor Force
