

Free market

A market in which there is **no** economic **intervention**  
and **no** **regulation** by the government,

except to **enforce** private contracts and the ownership  
of property.

From  
Government

Is the U.S. Economy  
a **Capitalist**  
Economy?

• Free market

A market in which there is **no** economic **intervention** and **no regulation** by the government, except to **enforce** private contracts and the ownership of property.
