

Sellers' Behavior: The Supply Line

Market  
forces set  
price

Producers choose the quantity  
they can supply at each price

**P**rice

Quantity Supplied

We will see  
later how this  
works...

# Sellers' Behavior: The Supply Line

We will see  
later how this  
works...

Producers choose the quantity  
they can supply at each price

In order to  
Produce, a farmer  
needs
