Only 300 units are now
available for rent

Consumers who can
not find an apartment
for rent, lose

$$Q^s = 300$$

A red right-angled triangle with a light blue border is positioned in the top-left corner of the image. The triangle's hypotenuse runs from the top-left towards the bottom-right. The text "CS lost" is written in black, sans-serif font inside the triangle.

CS lost

CS

gained

The imposition of a Ceiling (for example rent control)

Results in a decrease in the number of units available for
consumers to purchase

Consumers who find a
cheaper apartment for
rent, win

The imposition of a Ceiling (for example rent control)

Results in a decrease in the number of units available for consumers to purchase
