

What distinguishes a **Capital** good from an **Intermediate** good is that after selling the final good, the producer **still has** the **depreciated** capital good while intermediate goods went entirely into the production of the Final Good

Paper

Is an **Intermediate** good  
because it is entirely  
included in the  
documents filed by a  
lawyer

Is a Capital Good  
because the lawyer still  
has the printer after  
you pay his fees
