Worked 12 months

Worked 11 months

The European
Union Produce
as much as the
U.S.

But Europeans
get one full
month of paid
vacation

If we were to add
the dollar value of a
month's vacation,
EU's GDP would be
larger

+1 month
vacation

Limitations of GDP

Leisure is **not** accounted for

The European Union Produce as much as the U.S.

If we were to add the dollar value of a month's vacation, EU's GDP would be larger

+1 month
vacation

But Europeans get one full month of paid vacation
