

**How will buyers react to a decrease
in the price of pork?**

Quantity Demanded increases

At the same time a news report
warns of infected pork meat.

We can not use the law of demand:
Two variables changed price and
tastes

**Ceteris
Paribus**

Cervix
Pain

How will buyers react to a decrease in the price of pork?

Quantity Demanded increases

At the same time a news report warns of infected pork meat.

We can not use the law of demand:
Two variables changed price and tastes

Is this sentence correct?

**“When the price drops
demand increase”**
