

e decreases

e increases

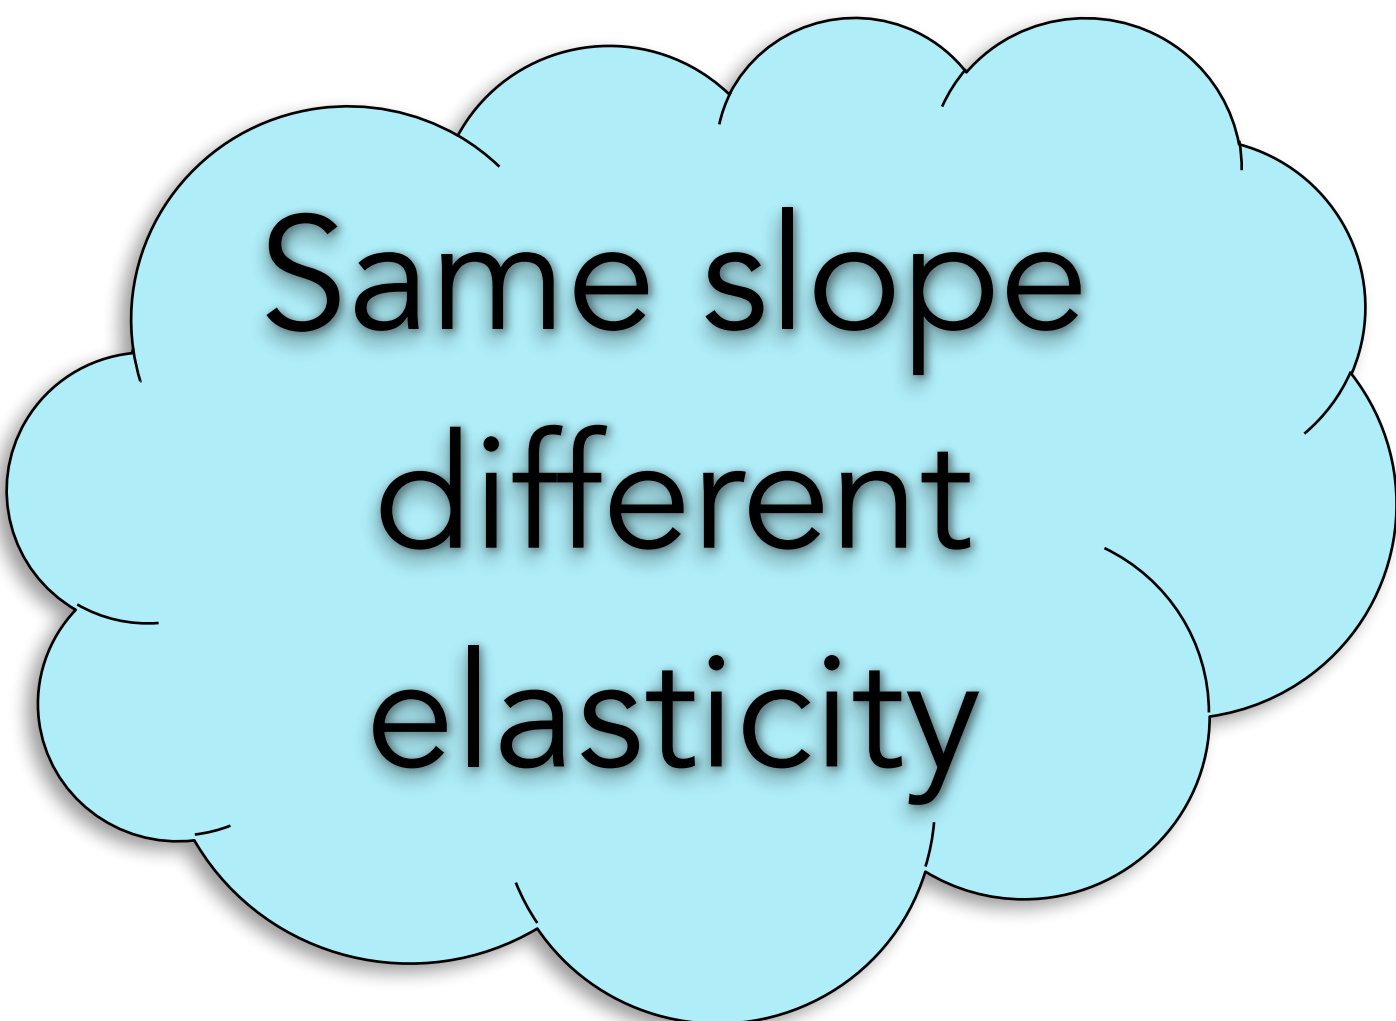

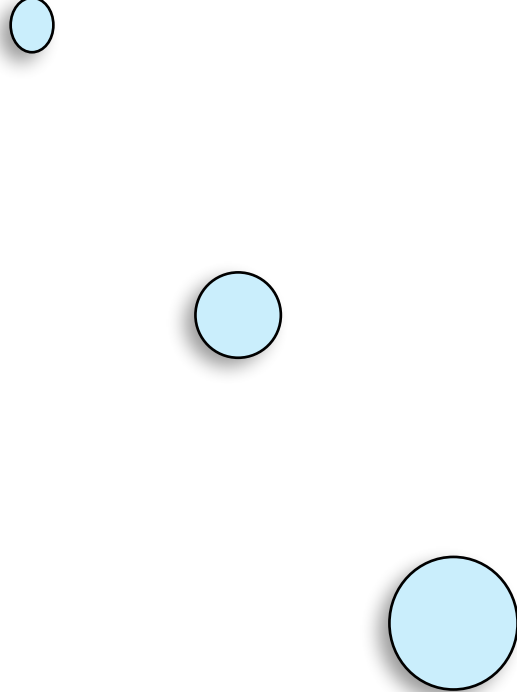

e^{-1} elastic

$e\nu_1$ inelastic

All supply
lines that Cut
Vertical Axis
are Elastic

All Supply lines that
Cut **Horizontal** Axis
are **Inelastic**

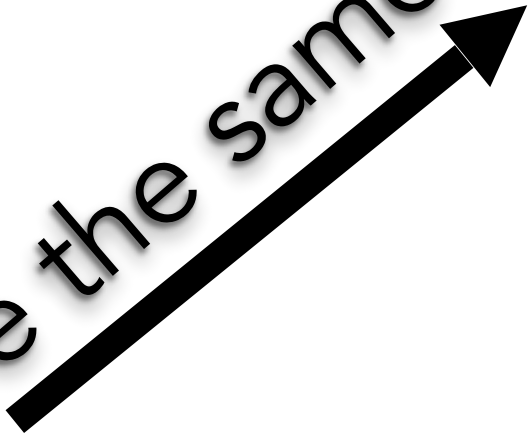

Same slope
different
elasticity

$e = 1$ Unit Elastic

All Supply lines that Cut
through the **origin** are
Unit Elastic

Slope and Elasticity are **not** the same

e the same

Slope and Elasticity are **not** the same
