

**% Change in Production since Previous year**

**Increase in Production**

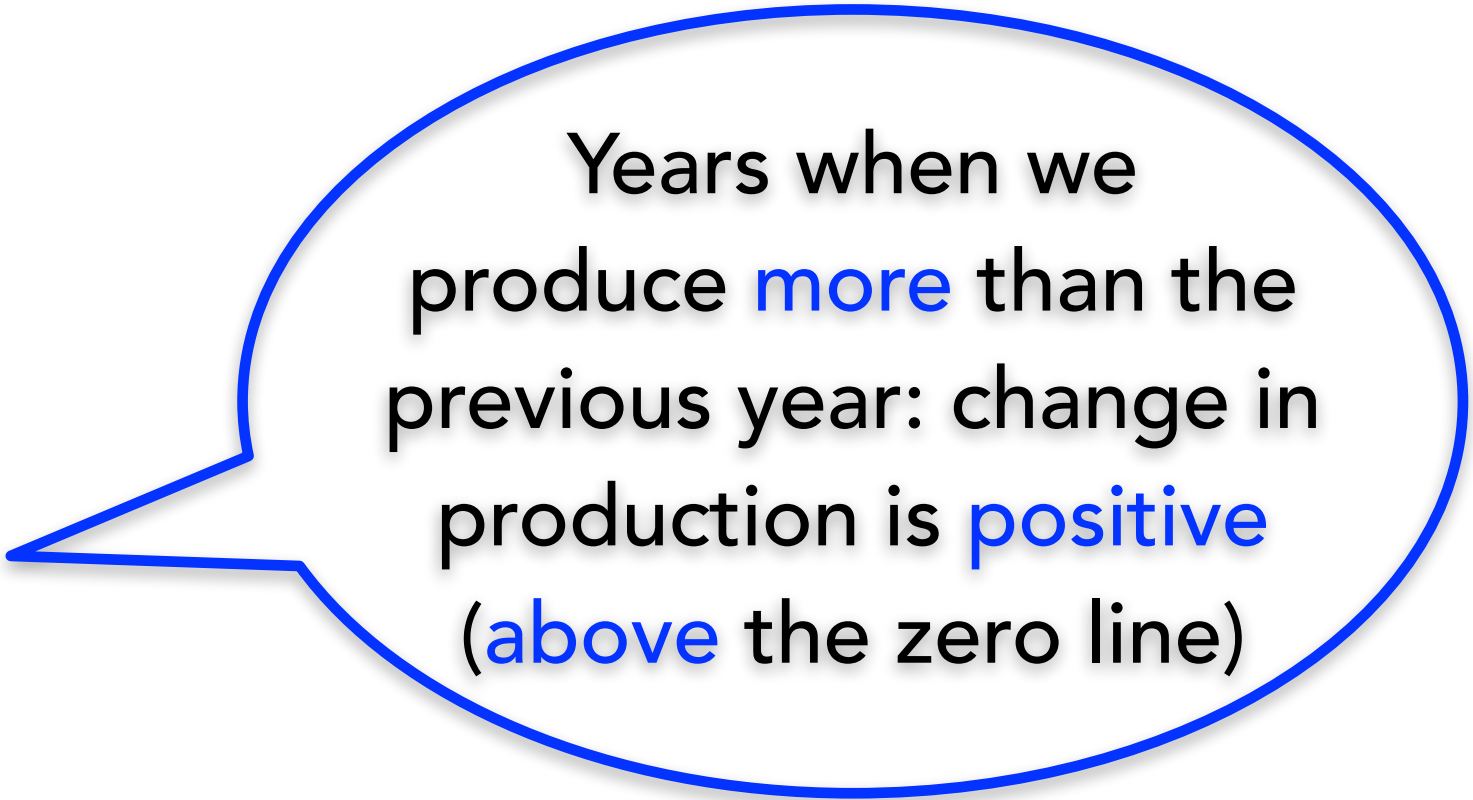

**Decrease in Production**

0% → **NO Change** in Production

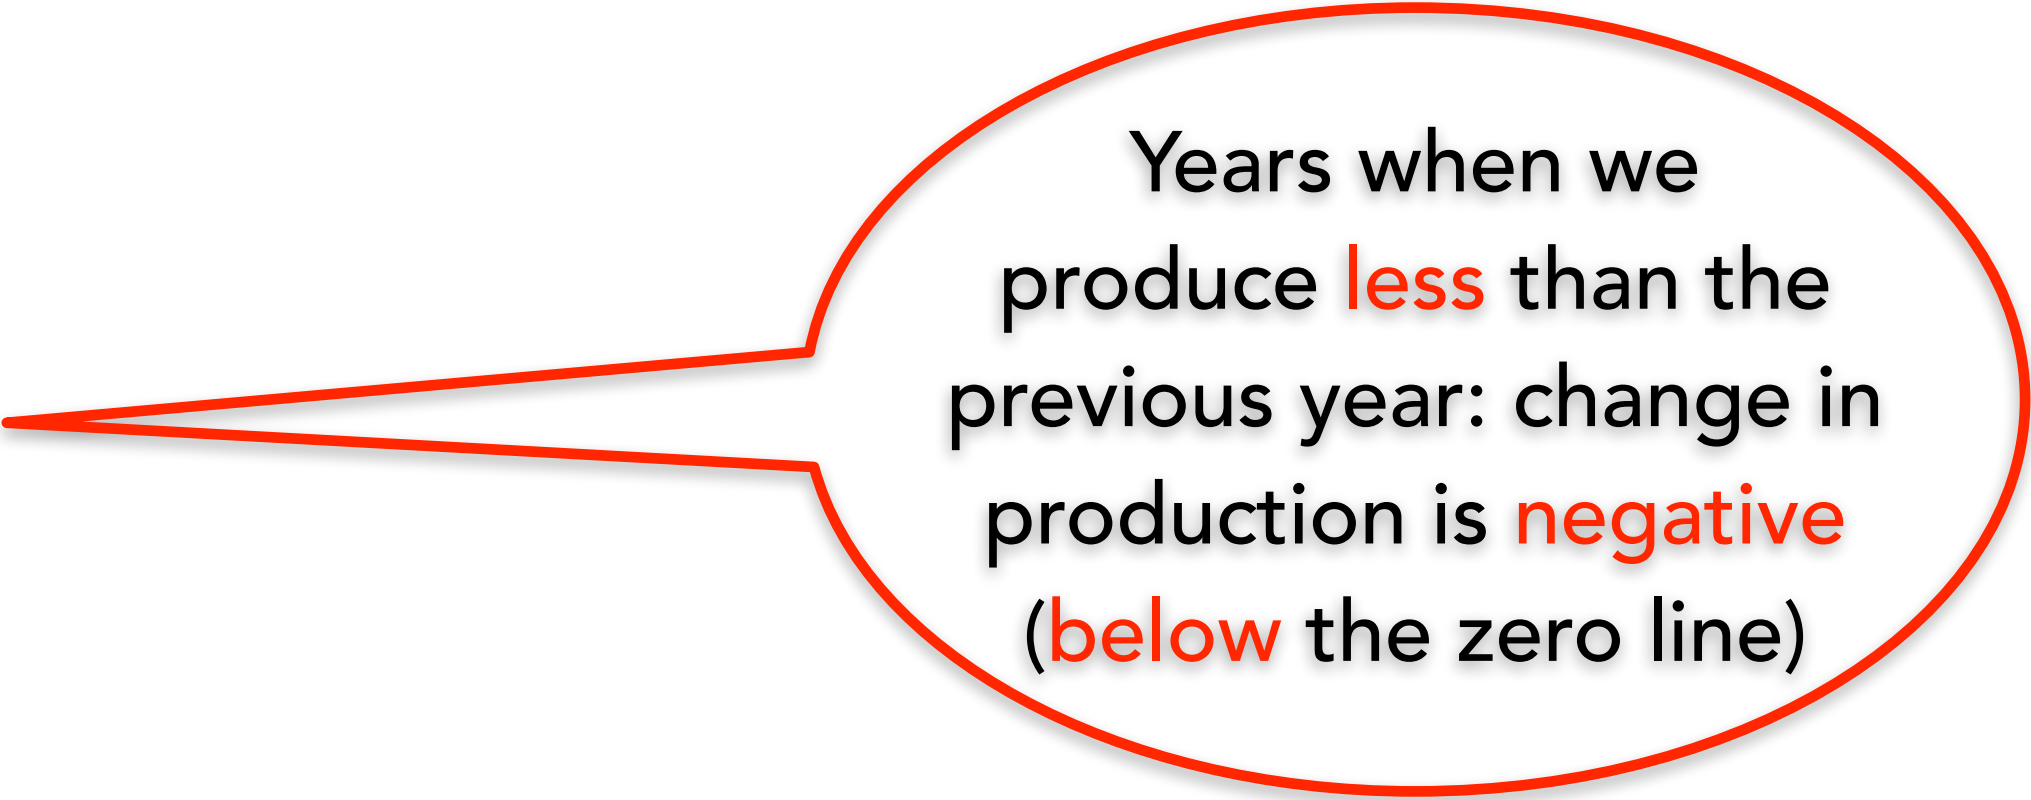

**Years**

Reading a GDP graph

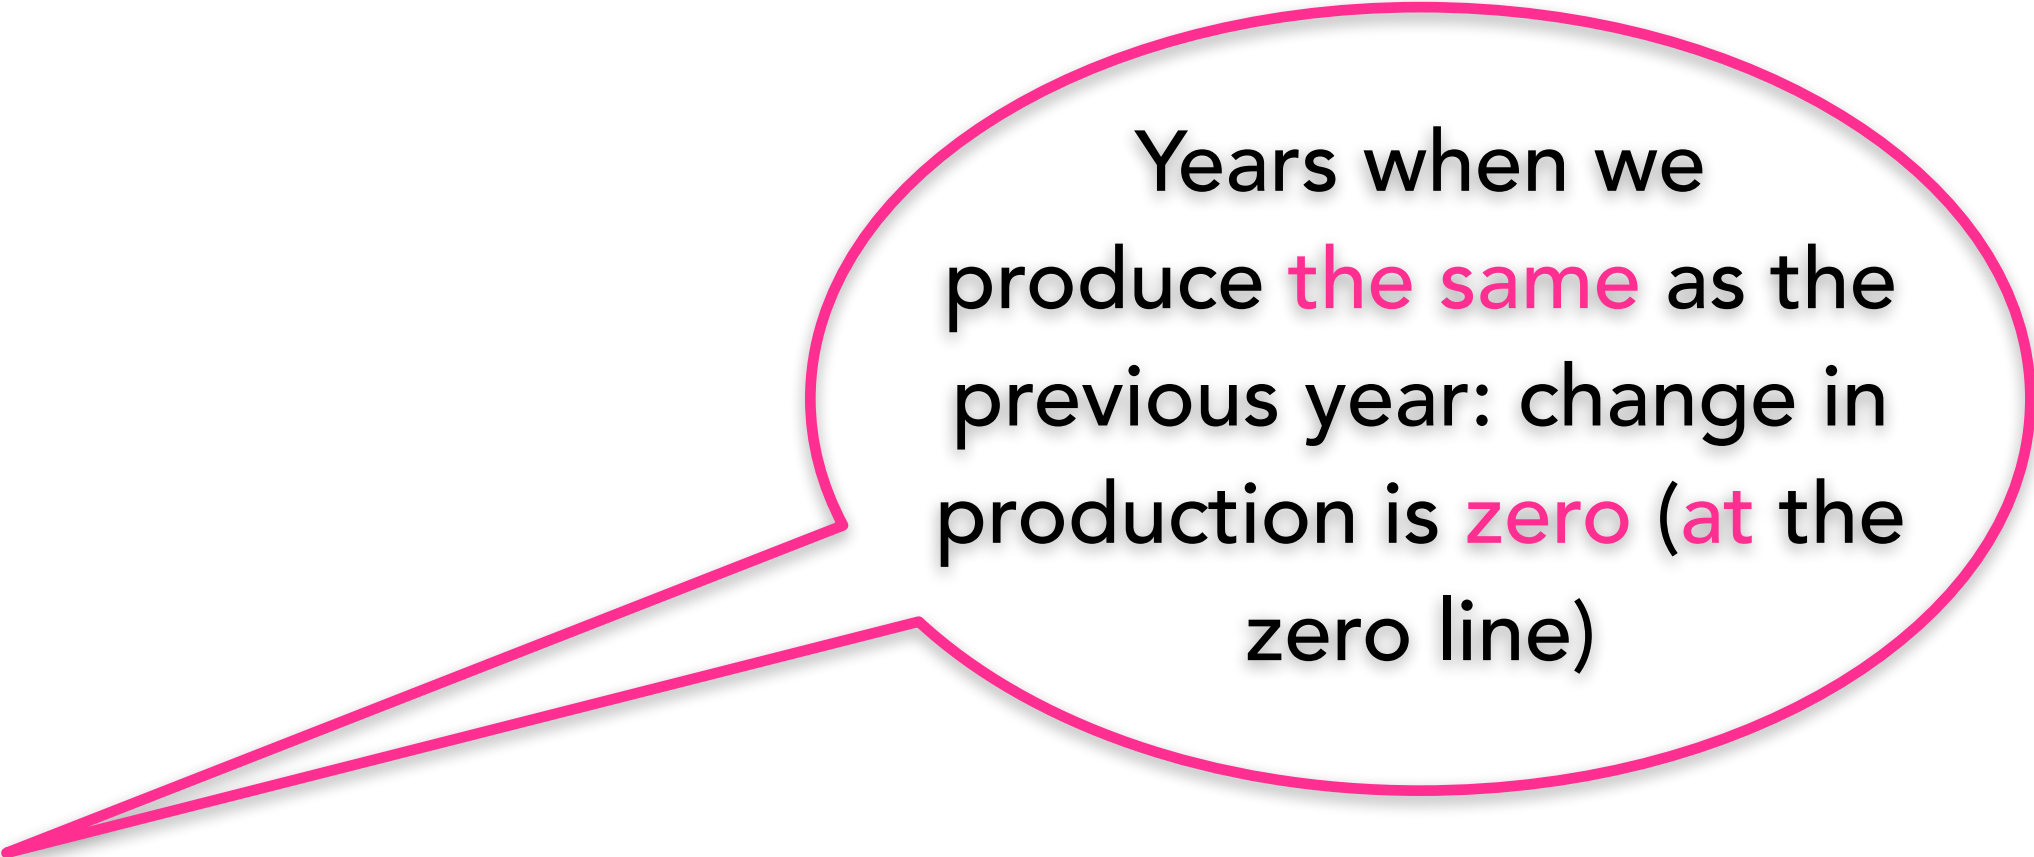

A blue speech bubble with a tail pointing towards the bottom-left. Inside the bubble is text explaining a condition for production change.

Years when we  
produce **more** than the  
previous year: change in  
production is **positive**  
(**above** the zero line)

Years when we  
produce **less** than the  
previous year: change in  
production is **negative**  
(**below** the zero line)

Years when we  
produce **the same** as the  
previous year: change in  
production is **zero** (**at** the  
zero line)

**Year 5**

**Year 1**

**Year 3**

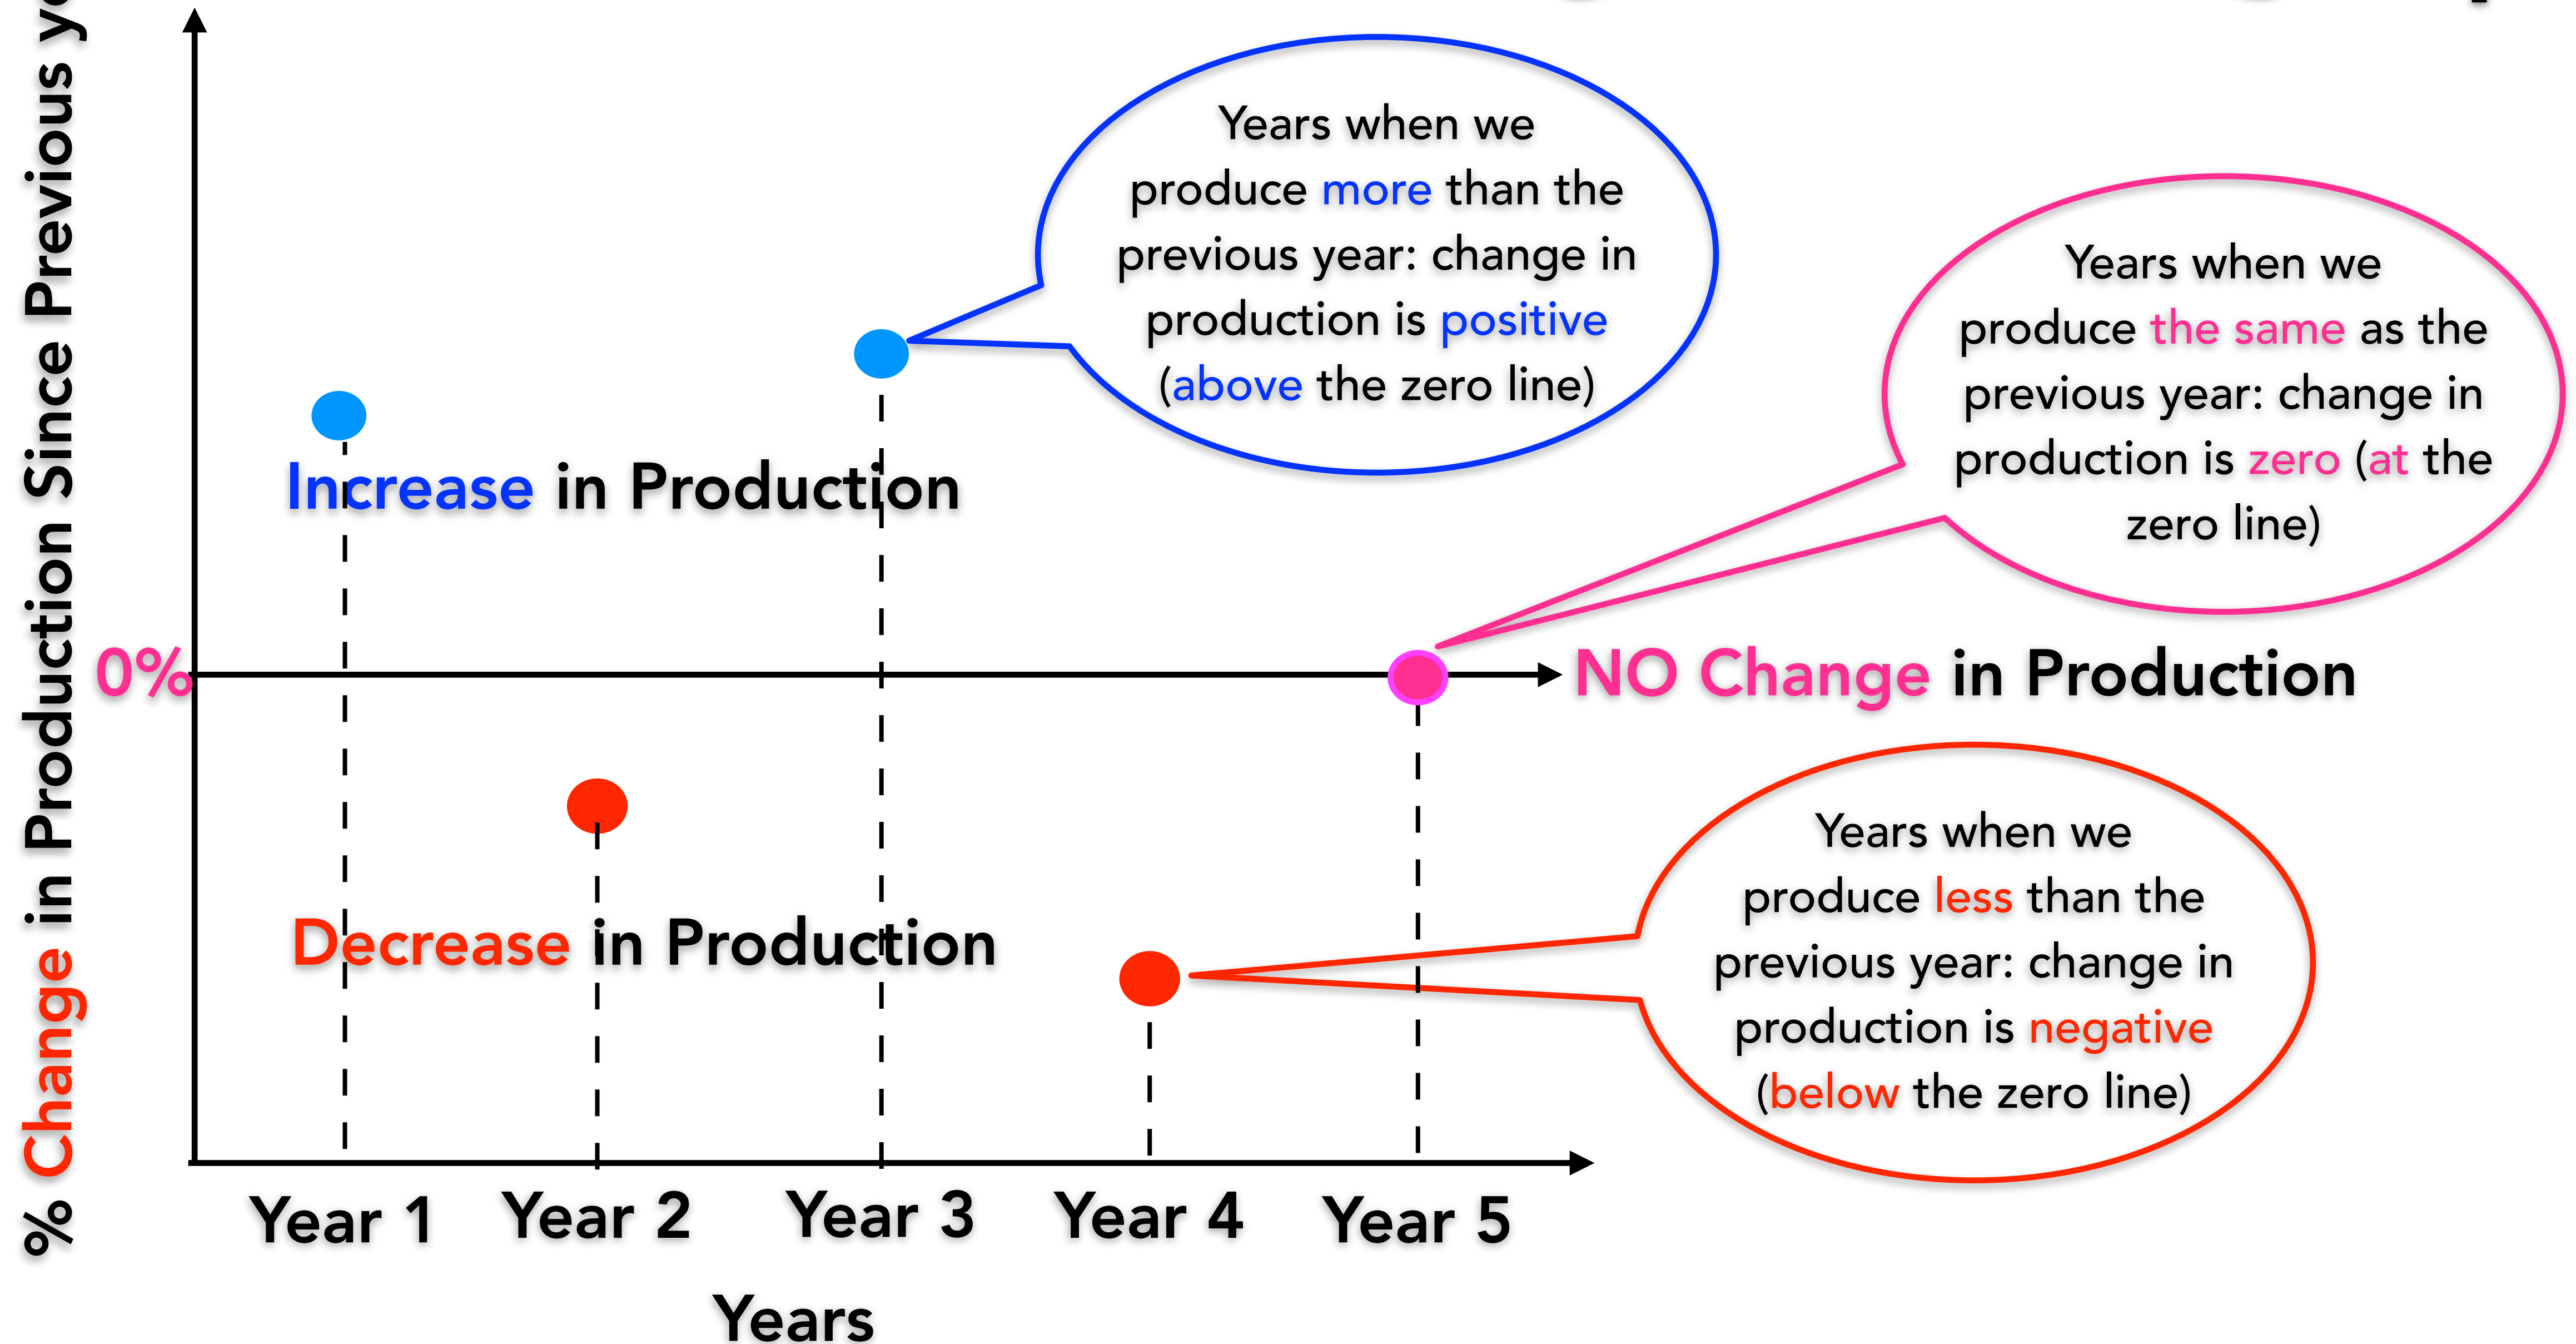

**Year 2**

**Year 4**

# Reading a GDP graph

*Shaded areas indicate U.S. recessions.\**
