

**Non
Institutional**

Employed

Unemployed

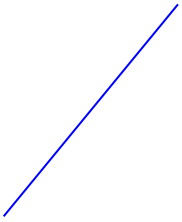

**Not in the
Labor Force**

A diagram consisting of two rounded rectangular boxes. The box on the left is labeled 'Total Population' in dark red text. The box on the right is labeled 'Active Population: 16 years and older' in black text. A thin black line connects the right side of the 'Total Population' box to the left side of the 'Active Population' box, indicating that the active population is a subset of the total population.
