

What distinguishes a **Capital** good from an **Intermediate** good is that after selling the final good, the producer **still has** the **depreciated** capital good while intermediate goods go entirely into the production of the Final Good

Hamburger meat

Is an **Intermediate** good  
because it is entirely  
included in the  
hamburger you buy

Is a **Capital** Good because  
Burger King still has the  
oven after you purchase  
the hamburger
