

**Non
Institutional**

Employed

Unemployed

**Not in the
Labor Force**

Institutional

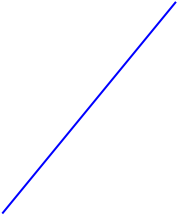

Nursing homes,
prisons and active
duty in the Armed
Forces

A diagram illustrating the composition of the total population. A central box labeled 'Total Population' is connected by a black line to a box labeled 'Active Population: 16 years and older' and by a red line to a box labeled 'Non-Active Population Children'.

Active
Population: 16
years and older

Total
Population

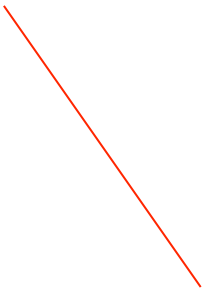

Non-Active
Population
Children

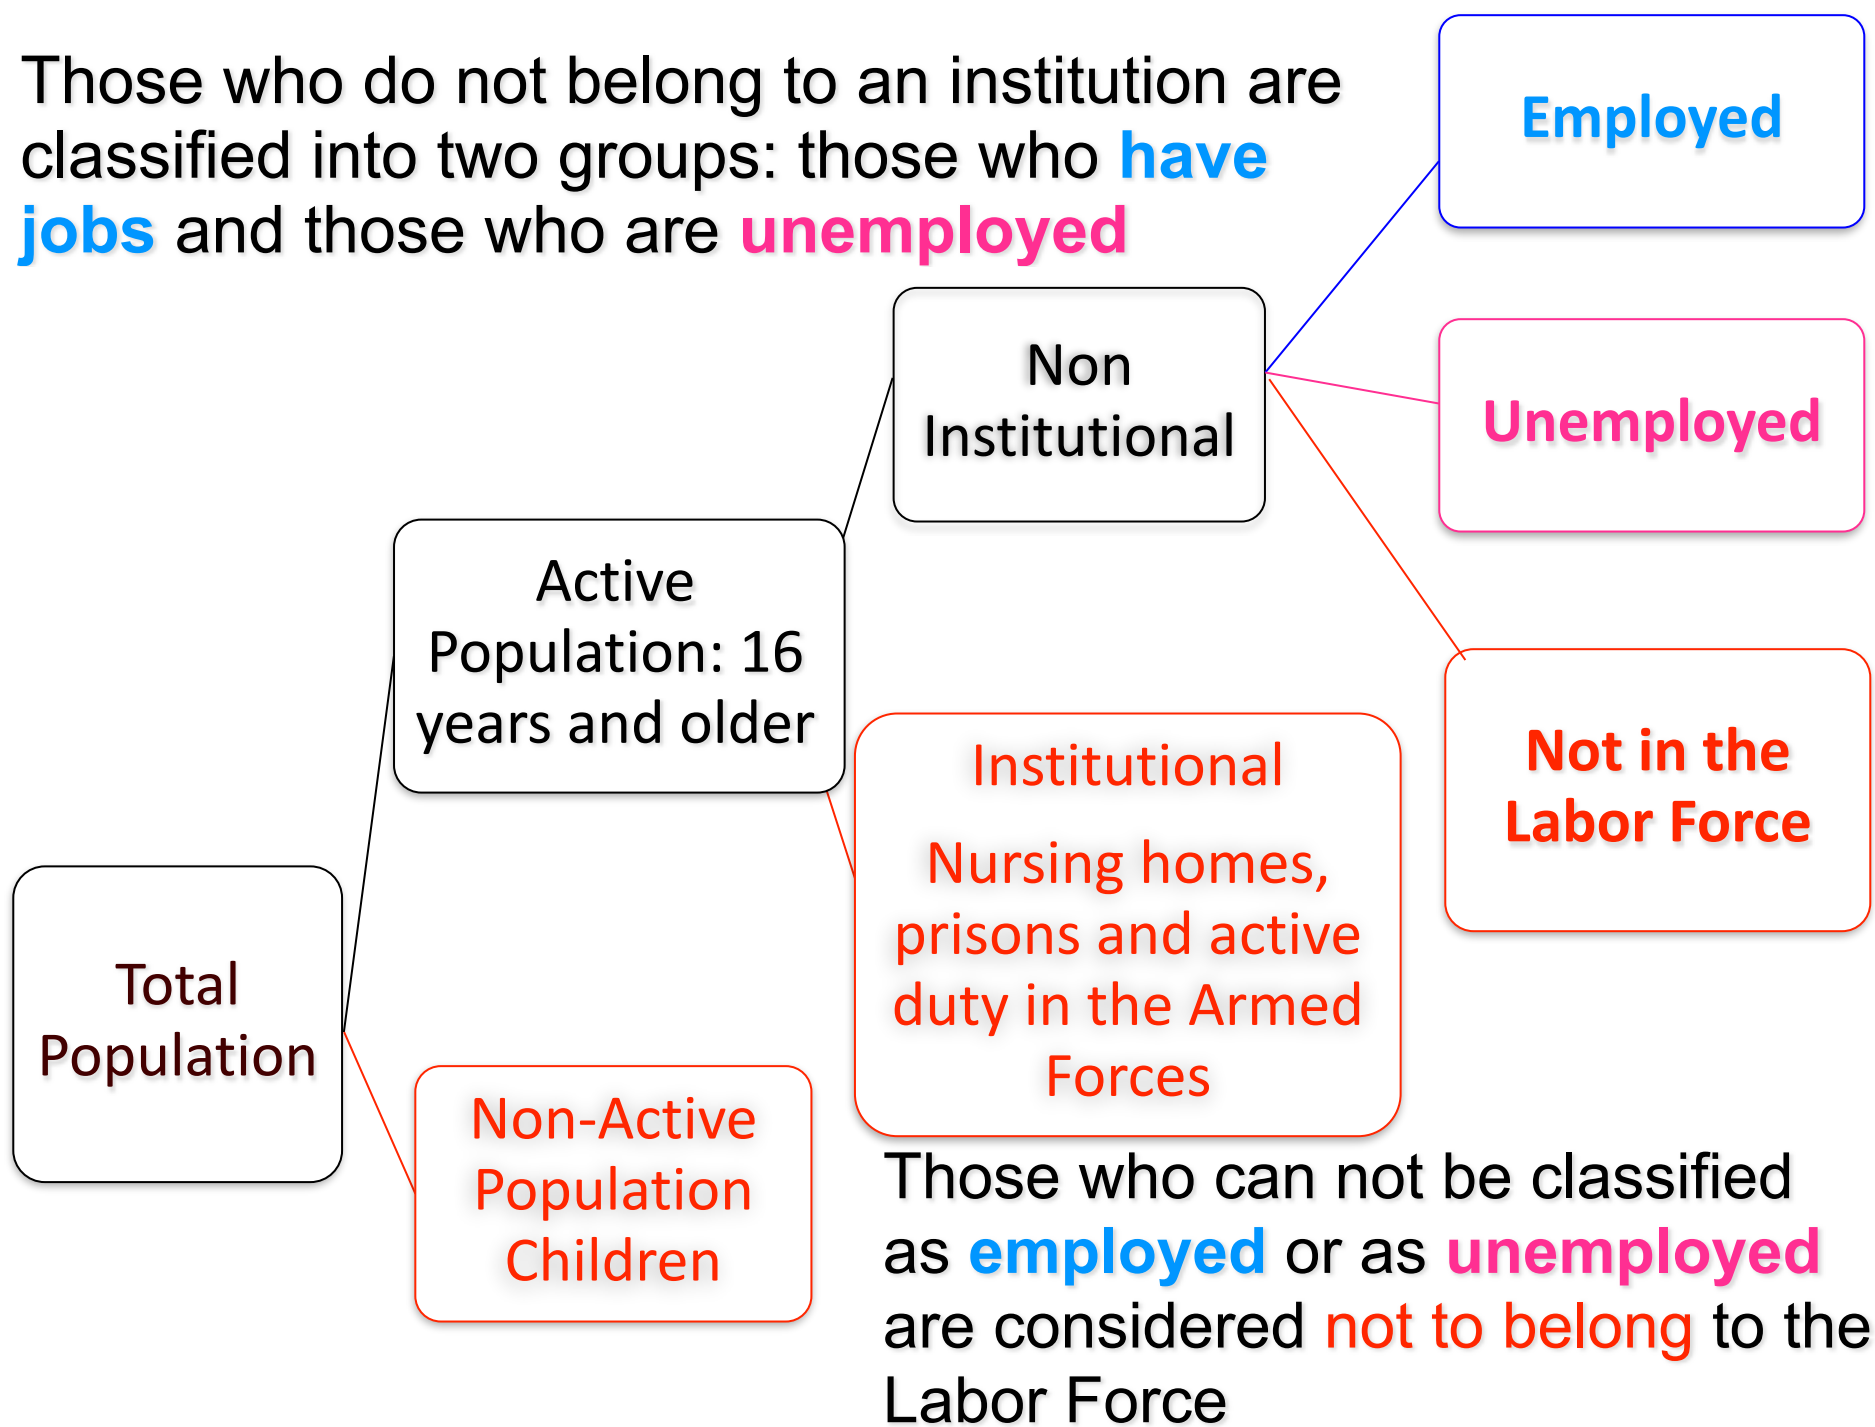

Those who do not belong to an institution are classified into two groups: those who **have jobs** and those who are **unemployed**

Those who can not be classified
as **employed** or as **unemployed**
are considered **not to belong** to the
Labor Force

Those who do not belong to an institution are classified into two groups: those who **have jobs** and those who are **unemployed**

An Example:
