

When past inflation is low and
stable

Lenders in countries with **low**
and stable inflation, guess
inflation **right** most of the time

A cyan speech bubble with a white drop shadow, containing the text "Like in the U.S" in a bold, black, sans-serif font.

Like in the U.S

Guessing Inflation is easier.

Guessing Inflation is **easier**..

When past inflation is **low and stable**

Like in the U.S

Lenders in countries with **low and stable inflation**, guess inflation **right** most of the time

Guessing Inflation is **difficult**
