

## How will buyers react to a decrease in the price of cars?

## Quantity Demanded increases

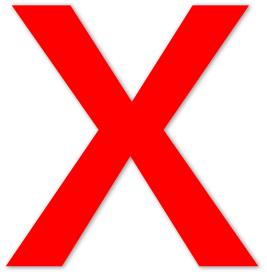

## What if at the same time that car prices drop, incomes also drop?

## We can not use the law of demand. Two variables changed (income and prices).

How will buyers react to a decrease in the price of cars?

Quantity Demanded increases

What if at the same time that car prices drop, incomes also drop?

We can not use the law of demand. Two variables changed (income and prices).
