We do not use Chained CPI because the switch from Traditional CPI to Chained CPI must be voted on...

Employers most definitely vote "yes" to the change

Employees most definitely vote "no" to the change

We do not use Chained CPI because the switch from Traditional CPI to Chained CPI must be voted on...

Employers most definitely vote "yes" to the change

Traditional CPI reports higher inflation

Employees most definitely vote "no" to the change

Wohoo!!!

Employers pay larger increases under the current system

We do not calculate the CPI correctly: New Goods Bias
