Unemployment is never Zero

Because there are always workers who have the skills the economy needs but they have not found a job yet

Frictional Unemployment

We call this

The cause of this type of unemployment is a temporary mismatch between jobs and workers

This is the best kind of unemployment because it only lasts for a few weeks: the time it takes to find your match. A growing economy needs a continued number of skilled workers entering the labor force

Unemployment is never Zero

Because there are always workers who have the skills the economy needs but they have not found a job yet

Frictional Unemployment

The cause of this type of unemployment is a temporary mismatch between jobs and workers

This is the best kind of unemployment because it only lasts for a few weeks: the time it takes to find your match. A growing economy needs a continued number of skilled workers entering the labor force

Unemployment is never Zero...
